21 INFORMATION FOR PARTICIPANTS In the context of betting participants shall not, by any manner whatsoever, infringe the principle unsporting conduct, or attempt to influence the course or result of a competition, or any part the contrary to sporting ethics. Any violation of this principle shall be disciplined according to provise regulation 3.5.3.					
21 RACKET CONTROL	If racket control includes official test for VOC miniRAE device will be used according to the ITTF decision. In this case, players will be offered the possibility of voluntary tests before competition starts. The ITTF Equipment Committee strongly recommends to all players to make certain that new racket coverings (rubbers) are aired 72 hours before use.				
22 NUMBER OF ENTRIES PER ASSOCIATION	According to the 2015 ITTF World Junior Directives we have to limit the number of entries to 300 players in total.				
	Only the final entries are taken into consideration by the organizers and the Competition Manager for the participation of your players. Each ITTF affiliated Association is granted with up to 3 boys and 3 girls and up to 1 team per event. However, if the maximum number of entries is not reached, there will not be limitation on the number of entries per National Association. The Host Association is entitled to 12 players in each category. Please refer to the 2015 ITTF World Junior Circuit Directives or contact the Competition Manager.				
23 Insurance	By entering the event, each association must ensure that all delegation members have medical, travel and other appropriate insurance.
