

# AUTHORISED RACKET COVERINGS:

15 OCTOBER 2008 – 30 JUNE 2009

LIST N°29B also on the Internet: [www.ittf.com](http://www.ittf.com) (Home, Equipment, Racket Coverings)

DATE OF PUBLICATION: 15<sup>th</sup> October 2008

The new rubbers entering List 29B will be in **bold** and italics.

Dark sponge (black, blue, brown, green, purple, red) should not be used under translucent red coverings (most red coverings are translucent). It is the player's responsibility to use a racket covering which appears bright red, and the use of a dark sponge under a translucent top sheet is likely to make the rubber illegal. Even if racket coverings appear in this List without reference to sponge, the Law 2.4.3. governs the use of sponge. Many racket coverings contain additional text in the rubber mould apart from the brand name and suppliers name and this does not disqualify them from the List of Authorised Racket Coverings. However, the brand name given in the list must be there (for example, Butterfly Srivier L and Butterfly Srivier S have the addition "D13"). Such texts could be positioned anywhere in the area reserved for the text on the rubber.

How to acknowledge a racket covering from this List:

1. Make certain that you have the correct list (see date of validity, they are published twice a year, in April and October. Pdf files to be found on our website at all times: [www.ittf.com](http://www.ittf.com)).
2. The supplier and brand names as well as the ITTF logo and eventually ITTF number should be clearly visible on the rubber.
3. These names should appear in the List. If in doubt, check the images/pictures on the ITTF web site.

## LEGEND

- [R] or [B] Indicates that this brand name is available in only red or black respectively.
- "Long" Under 'Type', this is used where the aspect ratio (= pimple height / pimple diameter) is larger than 0.89.
- ‡ Indicates a version available with a textile reinforcement, intended to be used without sponge.
- 01) Supplier number, may appear in the rubber mould together with the ITTF logo.
